

Businesses Employing Arlington Teens Press Release

Businesses Employing Arlington Teens (BEAT) serves to recognize and reward local businesses for employing teens in the community. In recent years, the BEAT event was a convention where representatives from Arlington Businesses came to receive their award and network with potential teen employees. The BEAT event advertises the businesses as a potential job for teens and makes it easier for teens to connect with employers who are looking for teen employees. This year, due to the unforeseen circumstances, we provided certificates of appreciation and a Teen Network Board gift bag for all the Arlington businesses that continuously provide teen job opportunities.

2020 BEAT Certificate Recipients
